French Art de Vivre is firing the Imagination now more than ever. BARNES has always striven to celebrate this Heritage. This Art de Vivre extends to Numerous Domains, whether Fine Architecture and Properties, Art, Yachting or Vineyards.

Perched on Rocky Peaks or nestled on the Banks of a Winding River, majestic or understated, Châteaux and Manors contribute to the International Prestige of French Heritage. Historic and Architectural Legacies, they are Living Witnesses to a Centuries-Old Know-How... In an Age where returning to our Roots is becoming Vital, the Heart of our Countrysides beats strongly in step with the Seasons. Unchanging and Authentic, the Rural Regions offer a Lifestyle in Harmony with Nature.

Just like Property, Wine incorporates elements of both Asset Management and Art de Vivre. Whether Grand Crus or more Simple Cuvées, they all rhyme with Conviviality and Elegance. Behind the Shimmering Reflections lie Vineyards that are becoming increasingly Rare and Coveted Assets... The Cadre Noir in Saumur or the Garde Républicaine... Institutions whose name alone conjures the Trotting of Horses and whose Reputation beyond French Borders is already Irrefutable. Horse Races, Breeding, Show Jumping, Polo... when it comes to Horses, the Possibilities abound... Treating yourself to a Yacht is often a Dream come true, for sailing Novices and Experienced pleasure Sailors alike...

"Maison Boissière" is a Hymn to the Art of Living. Sixteen Prestigious Apartments for Rent in the Heart of Paris. A Setting where the most Demanding Customers can feel at Home, surrounded by Beauty, Comfort and Conviviality. Always Unique, the Design of "Maison Boissière" combines Contemporary Sophistication and Timeless Traditions, creating an Elegant and Warm Atmosphere.

To revisit this Mansion located in the Heart of the 16th Arrondissement of Paris, Barnes went back in time. At the end of the 19th Century, the Trocadéro District was still just a Village, perched on the Chaillot Hill. Its Cabarets are Institutions, Artists flock there. Rue Boissière then bears the Name of one of them, the Flying Heart. Paris is full of Life. This is the Birth of one of the most Inspiring Artistic Movements in History, the Art Deco Style.

Reinvented by Barnes' Architects, "Maison Boissière" is inspired by the Atmosphere of Boudoirs, these Cozy Meeting Places in Deep, Powdery Colors. The Small, Intimate Lounges await you at Tea Time, the Italian Garden will shelter you far from the Hustle and Bustle of the Capital.

Paris, much more than a Destination, a Total Immersion in French Culture, History and its Gastronomy. La "Maison" offers an Exclusive Concierge Service and all Hotel Services where every Detail is carefully taken into account to appreciate the French Art of Living and a True Parisian Experience.
